

Terms of use of cookies

On the site <https://sova.ai/> and its subdomains (hereinafter referred to as the Site) cookies are used.

Cookies are small text files that, after the User has viewed fragments of the Site, are stored on his device.

The use of cookies allows Virtual Assistants LLC (hereinafter referred to as the Operator) to control the availability of the Site, analyze data, and understand how to develop the services provided.

The Site uses the following types of cookies:

Analytical cookies: they allow the number of Users of the Site to be counted; determine what actions the User performs on the Site (pages visited, time and number of pages viewed, hardware and software of the User's device). Analytical data is collected through partners, including Google Analytics, Yandex Metrika.

Advertising cookies: they help to analyze from which sources the User came to the Site, as well as to personalize advertising messages.

The storage period of cookies depends on the specific type, but in any case does not exceed the period necessary to achieve the purposes of processing personal data.

When visiting the Site, the Operator requests the User's consent to the use of cookies.

To stop the processing of cookies, the User can change the settings of the browsers used on all devices (computer, mobile devices).

IMPORTANT: If you refuse the use of cookies, certain functions of the Site may not be available, which will affect the ability to use the Site.
